

FRID*EX

16 DISHES CROSS OVER

“FRIDay EXperience“ – “Friday evening experience“ – represents a different type of dinner. You should get to know more about the diversity and variety of our kitchen. We will bring the buffet on your table.

These culinary highlights might be ordered in a sequence. But you can order as you like for example start with the dessert, then you can choose a starter, followed by the main course and if the starter tastes good you just order it again.

How to order?

Back to the roots: With Post It and pins – of course you can be creative on our black paper atop the table.

All dishes are numbered consecutively from 1-16.

If you want to order a dish, write down the number on a Post It and paste it on the glass stick.

This is the signal for our waiter, that you are ready to order.

Price incl. water and 1 glass of Henkell sparkling wine as aperitif
EUR 40.50
